

Health 4 EU

Let's develop a European teaching and training module for social and health care students to improve their basic knowledge, skills and competence in supporting peoples' empowerment in different ages and client groups by using the concept of Positive Health .

The main goal of this project is to develop a European teaching and training module for social and health care students to improve their basic knowledge, skills and competence in supporting people empowerment in different ages and client groups by using the concept of Positive Health.

THE IDEA OF THE PROJECT

- *Teaching & training module for students working in the care of Handicapped people.*
- *Teaching & training module for students working in childcare.*
- *Teaching & training module for students working with clients in home care*
- *Teaching & training module for students working in Hospital care.*
- *Teaching & training module for students working with adults close to retirement*
- *Teaching & training module for students working in the care of the elderly*
- *Teaching & training module for students working in the care of clients with psychiatric problems*

Kick off meeting to Roeselare -Belgium

The Positive Health is dynamic concept of health (euPREVENT Congres 2017). In this new definition Health is seen as the ability to adapt and to self manage, in the face of social, physical and emotional challenges.

1st TPM in Spain -Santander from 9th to 13th of May 2022 hosted by IES Manuel G. Aragón

LET IT FLOW

the 7 pillars of Positive Health

- in the care of Handicapped people
- in childcare
- with clients in home care
- in Hospital care
- with adults close to retirement
- in the care of the elderly
- in the care of clients with psychiatric problems

THE HEALTH4EU PROJECT'S PARTNERSHIP IS COMPOSED BY A GROUP OF 7 ORGANIZATIONS, COMING FROM 7 DIFFERENT EUROPEAN COUNTRIES (BELGIUM, CZECH REPUBLIC, FINLAND, GREECE, LATVIA, THE NETHERLANDS AND SPAIN). THE PARTNERS WERE CHOSEN BECAUSE OF THEIR DEMONSTRATED EXPERIENCE AND THEIR COMPLEMENTARY EXPERTISE AND NETWORKS, WHICH WILL ENSURE HIGH QUALITY RESULTS IN ALL THE DIFFERENT PHASES OF THE PROJECT.

2nd TPM in Greece -Athens from 10th to 13th of October 2022 hosted by MODERN BIOMEDICAL PROFESSIONS (SBIE).
